## Honouring Peacekeepers

Photos and story by Miriam King, Bradford Times

Raising the United Nations flag to mark National Peacekeepers' Day, at the Bradford Court House, on Sunday, August 11. Mayor Doug White and members of Council joined Legionnaires, Veterans in U.N. Peacekeeping, and the family of Sapper Brian Collier, at the annual event.

On August 9, 1974, 9 Canadian Peacekeepers on a mission with the UN were killed, when their Buffalo airplane was shot down on a flight from Lebanon to Damascus.

It remains the greatest loss of life in a single incident, for Canadian Peacekeeping - and since 2008, August 9 has been proclaimed National Peacekeepers Day in Canada, honouring all Peacekeepers and peace-makers, past, present and future.

On August 11, the Town of Bradford West Gwillimbury raised the United Nations flag at the Bradford Courthouse, to mark the occasion. The Bradford Branch 521 of the Royal Canadian Legion's Colour Party carried their flags, and representatives

of the Central Ontario chapter of CAVUNP - Canadian Association of Veterans in United Nations Peacekeeping - were on hand in their blue berets, as Mayor Doug White read the proclamation, to 'honour the memory of the Canadians who gave their lives in the service of peace.'

Also on hand were members of the Collier family, in memory of Sapper Brian Collier, who lost his life keeping the peace in Afghanistan, in July 2010. "We are honoured to be here with you today," CAVUNP Central Ontario

## CarrotFest Weekend!

Bradford's CarrotFest has been voted one of Canada's Top 100 Festivals - and with good reason, as Bradford West Gwillimbury gets back to its agricultural "roots".

This year, the festival extends from August 16 to the 18 - although the streets, with its vendors, buskers, live entertainment, and mascot, the Carrot, takes place on the 17th. From Friday to Sunday, at the Bradford & District Memorial Community Centre on Simcoe Rd., there will be a Midway, and Ontario Dock Dogs Competitions. The Midway will operate from 11 a.m. to 10 p.m. on Friday, 10 to 10 on Saturday, and 11 a.m. to 5 p.m. Sunday.

Also on Sunday - Bradford Community Church hosts its 5th annual Family Fun Fest at Lions Park, 228 Colborne Ave., with bouncy castles, games and a BBQ - free, from noon to 4 p.m.

The CarrotFest street festival takes place Saturday, August 17, from 9 a.m. to midnight on Holland St. East and West.

The 9th Annual CarrotFest 5K Run and 2.5K Walk takes place at the Bob Falls Sports Centre on the 10th Sideroad, with registration beginning at 7:30 a.m. and the timed Run at 8 a.m. This fundraiser for Athletics programs at Holy Trinity High School and other charities will once again include the 2013 Ontario Masters Athletics (OMA) 5K Road Championship. CarrotFest Registration is \$30. Kids under 10 pay only \$15. Pre-register at [www.runningroom.com](http://www.runningroom.com)

# All-night Hwy. 400 construction begins in Oct.

The Ministry of Transportation is set to begin Highway 400 improvements this fall, funded by \$41.5 million in infrastructure funding announced back on April 15. The rehabilitation of 26 km of the highway, from just north of Canals Road to Innisfil Beach Road, is scheduled to begin October 1 of this year, and will include replacement of medians with proper concrete barriers, improvements to

culverts and drainage, and repaving. The work is expected to take until October 2016 to complete.

To minimize the impact on commuter traffic, the Ministry is planning to carry out the bulk of the construction work on weekends, and at night, from 7 p.m. to 7 a.m. - effectively maximizing the impact on anyone within earshot of the 400.

MTO asked for and received a Noise By-law exemption from the Town of Bradford West Gwillimbury, for a 6-month period - an exemption that can be extended for additional 6-month periods, until the end of construction, "subject to satisfactory mitigation of any complaints."

Adding of construction equipment - which will include concrete trucks, asphalt paving spreaders, loaders and excavators - is to be kept to a minimum, a report to Council on August 6 stated, "and effort will be made to avoid any unnecessary noise." Concrete saws and jackhammers are among the equipment that will be used.

Motorists can also expect traffic disruptions, including lane and ramp closures, at various times during the construction project.

## Bradford boom continues

Bradford's building boom will continue, with the draft approval of 3 new plans of subdivision that will add at least 855 new detached, semi-detached and street townhome units, over the next 5 to 10 years.

Two of the three subdivisions are located in Community Plan Area 1 - the Green Valley area, south of the 6th Line. The 3rd is adjacent to Great Gulf Homes' Summerlyn subdivision, just south of the 8th Line.

Bradford East Developments Inc. has proposed 414 residential units on its 48.678 hectare property, east of Simcoe Road. The plan of subdivision also includes 2

stormwater management blocks, a 1.488 ha. park, and 18,891 ha. designated as "woodlot/valleylands", reflecting the environmental sensitivity of the area, on the edge of the Holland Marsh.

Bradford West, proposed by Bradford Capital Holdings Inc., Tiber Properties Inc. and a numbered Ontario company, presented plans for 504 residential units on 34.876 ha. The plan includes a 0.410 ha. commercial block, 1.794 ha. park, stormwater block, and blocks for future development.

The third subdivision, Goldenlane Estates, includes only 37 detached units, plus 34 future development blocks. Due to the size of the property - only 6.13 ha. - the developer is being asked for cash in lieu of parkland, to reimburse Great Gulf Homes for their over-dedication of parkland.

All three approvals have a 3-year sunset clause, and will lapse if there see BOMM Page 3

This year's event will be remarkable, offering cash prizes and TWO, not one, vehicle prizes in the elimination-style draw - a 2013 Chevrolet Cruze to be won by the 2nd-last ticket pulled from the drum, and a 2013 Chevy Silverado LTZ pick-up truck, thanks to the Lions' partnership with Paul Salon Motors-Barrie and General Motors.

The Lions have also partnered with The Village Inn in Bradford to provide a great evening of entertainment. At the Bradford & District Community Centre on September 7, enjoy music by The Greatest Legend Show, backed by a live band, back-up singers and violins - featuring tribute artists who will include Frankie Valli, Neil Diamond, Rod Stewart, Elton John, Bee Gees and Garth Brooks, with a DJ

Tickets are only \$100 each, and admit two to the Mammoth Draw - and the 1,700 tickets are already 71% Sold! # Health Centre tender awarded

The Town of Bradford West Gwillimbury has awarded the tender for the renovation of the old Library at 100 Holland Court - renovations that will transform the building into a handicapped-accessible family health centre, providing better access to primary health care, to a growing population.

Tenants of the building, once renovations are completed in Spring of 2014, will include a group of existing Bradford doctors, a lab service, and a satellite of the Southlake Family Health Team.

On August 8, Southlake Family Health Team confirmed that they had received a commitment of funding from the Ministry of Health, that will cover operating and lease costs at the new facility - and on August 12, in a special meeting of Council, Bradford West Gwillimbury awarded the tender to low bidder, Elite Construction.

Only 3 valid bids were received, out

of 8 pre-qualified contractors. The bid of Elite came in at \$1.54 million, plus a 10% contingency - well under the approved budget of \$1.85 million. The contractor has promised "substantial performance" within 24 weeks of the start of construction - early in 2014.

Councillor James Leduc noted that the contractor "had originally planned to start on August 6, but 'we're a little bit late' with the award of tender. He asked if the one-week delay would impact the construction schedule - but was assured by Director of Lésure Services & Facilities, Tom Graham that the work would begin "as soon as we award the tender", and should be completed by the end of February.

"It's nice to see the project's coming in under budget," said Councillor Ron Simpson.

Deputy Mayor Rob Keffez, chairing the meeting in the absence of the Mayor, agreed - and asked for a report on the services and "deliverables to the Town" that will be provided by the new Family Health Centre, "so that our residents will have a good knowledge of what's available to the Town."

# Fast-track building permits, after hours

Planning to build a simple deck, shed or addition to your residence?

The Town of Bradford West Gwillimbury's Planning & Development Services' Building Division is offering a unique "extended service" option this summer.

On Wednesday evenings, August 21 and 31, from 4:30 to 7 p.m., home-owners and Provincially-qualified designers can have their drawings seen and permit applications processed - after hours, by appointment. Those interested should call 905-

775-5369 ext. 1500, to book their appointment. As long as there is no need for external approvals - i.e., from the Lake Simcoe Region Conservation Authority - "we try to get the permit out to them that night," explained Chief Building Official Jack Tosta.

Permit applications will be accepted for structures over 10 sq. m., including additions, porches, decks, carports, garages, interior alterations, swimming pool and hot tub installations. Applications must be accompanied by plans or drawings (to scale),

showing the nature and extent of the proposed work. The drawings must be completed by a Provincially-qualified designer (with BCIN number) - but home-owners are exempt and can complete their own drawings.

The Summer program is a pilot project. If successful, there may be additional evening programs offered in the future. Contact the Building Division at 905-775-5369 ext. 1500 between 8:30 a.m. and 4:30 p.m., Monday to Friday for information, or to book your evening appointment.

# Bradford building boom will continue

BOOM, from Page 2

Is no Subdivision Agreement signed within that timeframe.

Public comments and concerns were included in the reports presented in Council, on Aug. 6. One of the key concerns was increased flooding in the Green Valley area - but Staff pointed out that the developers must accommodate existing drainage, and ensure through stormwater management that the volume of runoff will

not increase. Stormwater management plans must also be approved by the LSBCA.

Councillors were told that the reconstruction of Simcoe Road is tied to the development of Bradford East and West subdivisions.

"If this is a 3-year plan, will they (residents of Green Valley) have to wait three years before they see any construction?" asked Councillor Peter Dykx, a long-time advocate for reconstruction of Simcoe Rd.

Geoff McKnight, Director of Development, explained that the reconstruction will coincide with the installation of sewers and force mains for the new developments, which can begin once a new Early Payment Agreement with developers for the servicing of the Hwy. 400 employment lands is signed.

Town Manager Jay Currier suggested the Agreement could be approved as early as the end of August. "Quite a number of projects will flow from that."

Chapter president Fern Tallefer told Jim and Carol Collier and their daughters, promising, "As long as there is a Peacekeeping Association in this area, we will always have a ceremony in this honour."

It was a promise echoed by Mayor White, who thanked veteran peacekeepers and the Legion for their support, and told the Collier family,

"Our hearts are with you today, and always."

White noted that the U.N. flag will continue to fly at the Courthouse during CarrotFest, honouring Canadian Peacekeepers - and soldiers, who "fought for freedom and to keep the peace."

Bradford West Gwillimbury was the first community in Central Ontario to celebrate Peacekeepers' Day, in 2004.

### letters to the editor

#### An amazing year for MADD

To the editor: As 2013 unfolds and becomes busy, the Barrie/Simcoe Chapter of MADD (Mothers Against Drunk Driving) would like to thank our communities for an amazing year in 2012.

We started off in April with "Mocktail MADDness", celebrating the designated driver, and offering options when trying to separate alcohol consumption from driving. The event was planned and hosted by Georgian College students in the Event Planning program. It was a huge success, and we continued the partnership with Georgian College, hosting a 2nd Mocktail MADDness in December.

April saw us send close to a dozen victims to MADD's annual conference for Victims of Impaired Driving - a conference that has proven to be an integral healing component for many.

With June came Strides for Change, our signature 5K Run/Walk held along Barrie's waterfront. We raised significant awareness, as well as very generous pledges and donations.

Our Annual General meeting in July celebrated the presentation of Awards for Policing Excellence, Community Heroes - going above and beyond to ensure the safety of our citizens, and Volunteer of the Year - presented to a lovely lady who has worked tirelessly, after the tragic death of her granddaughter. One Elizabethbeth was even presented with a Queen Elizabeth II Diamond Jubilee medal.

Golf like MADD in September was a little wet, but successful, raising close to \$25,000 - wow! A great time was had by all, with lots of gifts and prizes. We even presented an award for "Best Swimmer" after one golfer ended up playing from the pond. Watch for Golf like MADD on September 20, 2013.

MADD celebrated its annual Red Ribbon Campaign, partnering with Police and their Festive RIDE program in November. The

launch was held at the Barrie OPP, and included a guest speaker, and an Accident Awareness vehicle on display.

And finally, we partnered with Barrie Taxi and Mario Design to wrap a cab as a MADD-mobile cruising the Barrie Streets, just in time for the festive season.

Our heartfelt thanks to the many volunteers who worked tirelessly, planning and helping with all of these events. We couldn't do this without you! Many thanks to the Emergency Services for their ongoing support - including Barrie Fire and Emergency Service, Barrie Police Service, County of Simcoe Paramedics, OPP and South Simcoe Police Service.

Many thanks to our media friends - our message wouldn't go far, if not for all of you. Huge thanks to our communities, that have supported us through the years. To the many businesses that offer products or services for our events - we thank you so very much! Your generosity is so greatly appreciated.

Most importantly, thank you to the many participants who came out to support us. Many of you came in memory of someone you lost to an impaired crash, some of you are survivors, some still suffer life-altering injuries but push on. All of you are an inspiration.

We will be maintaining our presence in your communities, doing all we can to increase awareness of the tragic consequences of driving impaired by drugs or alcohol. We will continue to support the victims of this violent crime, helping them find their way back to a new normal, and providing them with hope for their future.

Impaired driving knows no bounds. These drivers aren't particular whose friends or family they kill or maim. We all have a responsibility to stop impaired driving any way we can. Friends and family don't let friends and family drive intoxicated by drugs or alcohol - but to date, drunk driving remains Canada's No. 1 criminal cause of death.

### Barbeque Safety 101

Summer time is a fun time. Few things can match the fun and enjoyment of a barbeque with family and friends. Practice sensible, safe barbequing and your summer get-together will be a sizzling success. Please consider the following barbequing safety tips:

- At the start of the season, make sure the burner ports are free of rust or dirt and that the burner orifice is clear of dust and cobwebs.
- Check cylinder connections and hoses for leaks by brushing a 50/50 mix of liquid soap and water onto all connections and hoses. Rising bubbles when you turn on the valve indicates a leak. Tighten connections or repair the hose until there are no bubbles.
- When lighting the grill, always have the lid open. Open the valve at the cylinder, then turn on the barbeque controls and light the burner using the lighter button. If there is no lighter, insert the flame from a long match or barbeque lighter through the side burner hole. Light the match before you turn on the gas at the grill controls.
- Keep loose clothing away from the barbeque when cooking. Never leave the barbeque unattended when cooking.
- After barbequing, turn the gas valve off first, and then turn off the burner controls so that no gas is left in the connecting hose.
- Transport a propane cylinder safely by placing it in a secure, upright position with the safety valve on top. It is preferable to transport it on the floor of the passenger compartment. Make sure the windows of the vehicle are open.
- Never use or store a propane barbeque indoors or in any enclosed space, including a garage.

### Bradford School of Dance

Choosing a dance school can be a difficult decision. Most schools offer a wide variety of programs and have comparable fees. The difference lies within the curriculum, facility, and the qualifications of the Faculty.

At The Bradford School of Dance, great care has been given in selecting the right instructor for each dance style, age and level. Our Primary and

Kindergarten programs are taught by specialists in Early Childhood development. Instruction for these levels requires careful attention to building social skills, movement and music comprehension. Our goal is to empower students, with confidence and a love of dance - while maintaining an atmosphere of fun. Students in the upper levels will agree that our dance classes are challenging, motivating, and exciting. Select from Ballet, Jazz, Contemporary, Lyrical, Street Styles, Tap, Acro or Musical Theatre - there is a program that is right for each student. Whether the choice is a class once a week, or the Intensive Training Program, each dance style will include proper technique and inspiring choreography.

Miss Jane Pound, Founder and Artistic Director, has been teaching dance for over 35 years, and brings to Bradford a unique approach to dance training. Since retiring as a professional ballerina, she has brought her diverse experience and different methods of ballet training to her students. Young dancers explore a broad range of artistic and technical development through her knowledgeable instruction, and many of Miss Jane's students have continued on to professional careers in dance. Miss Hilary Whittaker, Director of Operations, takes special pride in ensuring the studio is run efficiently, and her love of dance and enthusiasm

translate into energetic dance classes. Miss Hilary teaches a wide range of programs, and brings fresh ideas and a new approach to the studio. For more information or to register, contact [www.bradfordschoolofdance.com](http://www.bradfordschoolofdance.com)

# Pure Wrestling in Lefroy, and Bradford!

When the Pure Wrestling Association Canada held its first wrestling event at the Grange Hall in Lefroy, Innisfil, organizers brought a 20' ring. It barely fit into the hall.

The ring used for the August 10 wrestling match was 16' across - allowing more room for the audience, and still large enough for all of the action, as wrestlers like Jimmy King, Hardcore Hick, Hornet and Johnny Wave battled, to the delight of an all-ages crowd.

Wrestling is a morality play, where Good defeats Evil - but usually not before Good has been thrown to the mat, pounded, beaten up and smacked around. This time, though, cheaters may be presumed - as Turbo Ned Tyson (TNT) defeated Joey Valentine, setting up all the drama needed for a future grudge match.

The headline matches saw Ruffy Silverstein fight Chief Ade and Penthouse Lenny Lilac - and eze Eric Carmine battle Champion Joey Allen. The Pure Wrestling Association Canada will be bringing its roster of wrestlers to this year's Carrotfest in Bradford, on Saturday, August

17. There will be a free show at the Bradford Community Centre at 11:30 a.m. - and paid admission at 6:30 p.m., when tag team champs Paul London and Brian Kendrick will be in the ring.

This year, Carrotfest will also see a "first" - the Moonwalk Thrillers all-female tag team, of Courtney Rush and Jody D'Amico will be part of the Quest for the Cup 7, in the 11:30 a.m. opening rounds. "This year is a turning point for women wrestlers all over," said D'Amico. "We are setting precedent here." At left, Hornet gets a grip on Johnny Wave, in a PWA wrestling match in Lefroy.

Right, Moonwalk Thrillers Courtney Rush and Jody D'Amico will be at Carrotfest - a first!

# Walking for Farm Sanctuaries

Wishing Well Sanctuary in Bradford West Gwillimbury is one of the Animal Sanctuaries participating in the "Walk for Ontario Farm Sanctuaries," taking place on Sunday, August 25 in Toronto. Walkers will gather at Dufferin Grove Park, and on town, begin a 3.2 km walk from the park through Kensington Market, to Bellevue Square Park.

The Wishing Well Farm is now looking for sponsors and participants. Those interested in participating are encouraged to put together a team of

4, with each member pledging to raise a minimum of \$100 in donations - or can sponsor Wishing Well.

For more information, contact Wishing Well Sanctuary at 905-775-9179 or visit [www.wishingwellsanctuary.org](http://www.wishingwellsanctuary.org) or to sign up for the Walk, see [hollyhoofeanimalsinneed.com](http://hollyhoofeanimalsinneed.com) and click on Events.

Wishing Well Sanctuary, located on the 10th Line of BWC, now has charitable status and can issue tax receipts for donations of \$20 or more.

# Targeting drinking and boating

On Aug. 11, around the dinner hour, South Simcoe Police Marine Unit investigated a jet boat for erratic operation in the area of Innisfil Beach Park. The operator of the vessel was found to have consumed a quantity of alcohol and was in possession of an open alcoholic beverage on board the vessel. Arrested and returned to North Division for breath tests, the 32 year old Toronto man registered a WARIN. His driver's licence was suspended for 3 days; he also was ticketed for 2 other motor offences.

Alcohol and drug impairment continue to be a factor in boating deaths and injuries. According to a

recent report by the Lifesaving Society of Canada, 39% of preventable boating fatalities between 2006 and 2010 involved alcohol consumption. During 2012, OPP investigated 20 fatal boating incidents, and determined that 7, or 35%, involved alcohol or drugs.

Boaters caught drinking and boating in Ontario face the same penalties as drinking drivers. No alcohol can be consumed by anyone on board while the boat is in motion - consumption on a vessel is only permitted if the boat is at anchor, tied to a dock or grounded, and the boat is fitted with permanent cooking, sleeping and washroom facilities.

# Alife-changer: Body by Vi Challenge

Haven Kramer has struggled most of his life. He has left Heml Cerebral Palsy - a condition that weakens the muscles on his left side, making it harder to do everything from homework to sports.

All the same, ever since he could walk and first "discovered" softball, it's been his sport of choice. As a kid, he'd throw the ball into the air and hit it with his bat, in his Grandmother's backyard - and seven years ago, signed up for Minor League softball, going on to play in Select tournaments. About 3 years ago, he began umpiring for Softball Ontario, as a registered umpire in the Fastball division.

At the same time, he says, "I'd got frustrated" - frustrated because he was unable to complete challenges, or because he'd quickly become tired, and unable to focus. The frustration led to temper tantrums - "I'd Hulk out," he says. "I'm a fun-loving, high-energy person..." - but would experience "meltdowns" when he was ticked off, which led to social ostracism.

Then, just over a year ago, a cousin introduced Haven and mom Yvette to the Body by Vi Challenge.

ViSals (TM), headquartered in California and Michigan in the U.S., is a leading manufacturer and distributor of nutritional supplements and products, including high-nutrition shakes, snacks and cookies.

The Body by Vi 90 Day Challenge asks participants to set a goal - weight loss, activity or fitness - and choose the appropriate kit, to help reach that goal. Kits include nutrition shake meal replacements, containing easily-digested Tri-sorb protein, vitamins, minerals and fibre; energy drinks and snacks.

"As a mom, I always thought I was feeding my children a decent diet," Yvette says, "but the simple act of adding the nutritional shakes to Haven's diet had an immediate and startling effect. 'Almost overnight, Haven was able to concentrate better at school, improved his grades, and was not having the muscle pain and spasms he used to get after physical activity'."

And instead of having to drive him around, between tournament games, so he could get some rest, she found he was able to last through a whole tournament without difficulty.

In fact, the Umpire Zone Chief recently saw Haven umpire at a game - "and saw in just two innings I was good enough for more than just [local league] games," Haven says. Good enough, in fact, to umpire a tournament at the provincial level.

He received an invitation to umpire the PSWA U14 Grands, a tournament that winnows

out the top 3 teams to go on to the Nationals. Haven was mentored, provided with tips, and complimented. "I got compliments from level 4 and level 5 umpires," qualified to umpire at the Olympics.

Haven has completed two of the Body by Vi Challenges - the first, a 90 day challenge - "just to be healthier," he says. With the added nutrition, he found that he could concentrate on his school work, and his grades improved, to Bs from Cs and Ds.

The second Challenge was "Fitness - to gain muscle on my left side. My left leg, it would be floppy. Now it's toned." He's now in the midst of taking a 3rd challenge, "just trying to build muscle..." It's working! "I'm actually able to push 150 lbs. with my left side."

And best of all? "Those periods of rage, of 'Hulking out,' have disappeared."

The life-changing impact of good nutrition has inspired Haven in two ways.

He's entering Grade 12 this fall, after taking summer courses to beef up his marks in the sciences, hoping to go on to University and a degree in Kinesiology - now that he knows everything is possible.

And he's challenging everyone to participate in a

VI-Community Challenge, Project 10 Kids. Sign up with Body by Vi to Lose it or Build it - lose 10 lbs. in weight or build 10 lbs. of muscle, and every time a goal is reached, ViSals will donate 60 child-sized nutrition shake meal replacements or snacks to the local Helping Hand Food Bank, so that kids in need can have a nutritious alternative to the processed food and snacks that so often end up on food bank shelves.

For those who don't want to participate in the challenge, an \$18 donation will provide nutritious cookies, and \$24 will provide 60 shakes or snacks, to the Food Bank.

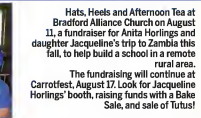

Yvette notes that ViSals has already donated over 2 million meal replacements for needy kids, through food banks and community programs - "and here in Bradford, we can be part of it."

To participate, and Build it or Lose it, visit [www.haventkibodybyvi.com](http://www.haventkibodybyvi.com) or call 905-716-1259. To donate it, see [www.shakesyournutrition.viisalsingit.com](http://www.shakesyournutrition.viisalsingit.com)

And to learn more about the Project 10 Kids Community Challenge, come to the Information Session at Kidergy, 389 Dissette St. in Bradford, Units 2-4, on Monday, August 19 at 7 p.m.

"These shakes are pretty much an example of what you need nutritionally," says Haven. "It's certainly changed Haven's life," Yvette says.

## Collision investigated

At about 11:30 a.m. on August 13, South Simcoe Police Rcd. was called to a plaza on Lockhart Rd. in Innisfil, for a motor vehicle collision - and arrived to find a Dodge Caravan partially inside a convenience store. The driver, a 69 year old Innisfil woman, accidentally stepped on the gas instead of the brake as she entered the plaza. The vehicle accelerated, hitting a pedestrian in the parking lot before plowing into the store. The pedestrian, a 36 year old male, was treated on the scene for minor injuries. Damage to the building was estimated at over \$10,000. No charges have been laid, although MTO may review the woman's licence.
